Labrador Welfare's 100 Club

Raising Money to Support our Long-Term Foster Dogs

Labrador Welfare 100 Club

What is the 100 Club?

Our 50 club has been set up to help us to support the long-term foster dogs handed over to our care. On average we have 28 long-term foster dogs on our books at any one time. These are usually older dogs of 9 years plus.

Their fosterers feed them and see to their daily needs whilst we support them by paying veterinary bills. Without the support of the 100 club we would have no other option than to have these dogs put to sleep, as it would be impossible to find people willing to adopt them.

We think that these dogs deserve a chance, don't you?

How does it work?

The 100 club is run by Sally Wheeler (100 club Coordinator). Subscribers pay £5 per month into the club, by standing order. £4 of your donation goes straight to helping us to support the dogs whilst the other £1 goes towards the prize money. Each month a draw is made for first and second prize.

Labrador Welfare is a registered charity
